Annexure 1: Guidelines regarding admission of students with “Specified Disabilities” under the Rights of Persons with Disabilities Act, 2016 with respect to admission in MBBS Course.

DISCLAIMER

The apex court drew guidelines for the management of all educational institutions to follow. Among them:

Educational institutions should take anti-ragging measures right from the time of advertisement for admissions. The prospectus, the form for admission and/or any other literature issued to aspirants for admission must clearly mention that ragging is banned in the institution and anyone indulging in it is likely to be punished appropriately which may include expulsion from the institution, suspension from the institution or classes for a limited period or fine with a public apology.

The punishment may also take the shape of: (i) withholding scholarships or other benefits (ii) debarring from representation in events (iii) withholding results (iv) suspension or expulsion from hostel or mess. If there be any legislation governing ragging or any provisions in statute/ordinance, it should be brought to the notice of the students/parents seeking admissions. A printed leaflet detailing when and to whom a victim may turn for information, help and guidance for various purposes, keeping in view the needs of new entrants, along with their addresses and telephone numbers should be given to fresher at the time of admissions so that they need not to look to seniors for help in such matters.
